MEMBERSHIP 2009

Machars Movies is a voluntary organisation run as a self-funding venture - membership fees cover only the cost of putting on films and the hire of the venue. Why not join us and become a member? You will have the chance to see some great movies, enjoy a great social atmosphere at the newly refurbished St. Ninian's Village Hall in the Isle of Whithorn, and recently equipped with state-of-the-art digital projection technology.

How many films will there be? The 2009 Season has ten full-length features from all over the world, some recent, some classic, and full details are published in the accompanying leaflet, or can be found on our website at www.macharsmovies.co.uk . We also hope to have some award-winning short films to show at most of the sessions.

Can I find out about the films that will be shown? On joining, you will get a set of advance programme notes for each feature giving you lots of background about the film, its production, the stars and much, much more. At each screening there will be opportunities to tell us what you think of the film, and if there's a film that you might like to see, then we'd like to know about that as well!

What does it cost? Membership is open to anyone over the age of 16*, and costs £20. This will entitle you, or your representative, to attend all ten screenings in this year's programme at the privileged Members' price of just £2 per show. (Concessions £1). A Member may also purchase in advance a Guest Ticket for £5; and a Young Person's* ticket for £2.
(*To comply with the law, admission to screenings will be restricted according to the BBFC film rating)

Can I just turn up at the door and buy a ticket? Members and their Guests or Young Person's ticket holders have priority. Seats are strictly limited in number, and any unbooked seats will be released 15 minutes before the screening. Booking in advance will guarantee a seat, subject to availability.
